**Tribute from Frank Cognolato**

Relation: Cousin

Eros and Sally, I just heard about your Moms passing. I spoke to her on thr phone several times after my Mom passed last January as they spoke often on the phone. I could understand why my Mom (Onorina) called from Toronto often. Anna left me with the impression as being a kind,reasonable ,compassionate,understanding and loving women.

I know how much she is missed. My condolences to the family.
