Tribute from Liz Brach

Relation: I knew Tony and Audrey from teaching their grandson.

Dear Audrey, Roger, Debbie, Jacob and (Jacob's sister-sorry I forgot your name), It was with shock that I heard that Tony passed away. He truly was a man who grasped life and left his mark with his energy, his commitment, and his determination to get things done. I can't imagine the huge space he has left in your lives.

I can picture him still bombing around town in his little sports car. Thinking of him brings a big smile to my face and I hope that you all will come to a place of acceptance and peace for the loss of this unforgettable man.
