# Barbara Lena Soepboer

October 7, 1947 - September 26, 2011

Barbara Lena Soepboer of Van Anda, Texada Island, BC passed away peacefully on Monday, September 26, 2011 in Powell River General Hospital after battling cancer. Barb will forever be remembered by her loving husband Ted, family and friends. She was born in Trail, BC on October 7, 1947 to Richard and Jean Fowler.

Barb touched the lives of many people with her positive attitude and strong values. She was an inspiration to all she met. Barb left fond memories in the hearts of so many she met on Texada Island and other areas. Barb and Ted sailed many years together along the BC coast in boats they built by hand. Barb had a love for her pets and they received the best care and all the love she had in her heart. Barb loved beachcombing, collecting rocks, walking, hiking, weaving and spinning. No service by request.

May she rest in peace.
