

REMEMBERING
Bertha Bunny Johnson

May 29, 1922 - April 5, 2013

Bunny was born and raised in Elma, Manitoba. Her first taste of city life was in Toronto where she and her sister Martha both worked and shared an apartment. She took two accordion lessons while there and never looked back. At the young age of 24 she came to Finn Bay to give her brother Alex a hand on Sevilla Island and together they played accordion and violin for many dances in the old Lund Hall.

Bunny was a very beautiful and popular girl in Lund and was soon swept off her feet by her soon-to-be husband Gunnar Johnson. They had one son, Roy, and soon after they moved to Wildwood and lived next door to her sister Martha and her family. After several years in Powell River they moved to Squamish, where they spent many years.

Bunny was predeceased by her son and husband. Eventually she moved back to Finn Bay. She loved people, had a great sense of humour, was very artistic, loved nature and her garden.

Bunny will be sorely missed by her friends and family. She is survived by eight nieces and one nephew who would all like to express their gratitude for the loving care offered to her at both Olive Devaud Residence and Evergreen Extended Care Unit.
