Tribute from Carol Miller

Relation: close friend

My condolences to the family. I know that there are no words that can help with the emptiness that you are feeling today but she has left you with many memories that you can look back on and smile over. She will be greatly missed but never forgotten.

Our community will miss this lovely lady.

Tribute from Andrea Noakes

Relation: Canada World Youth

Bev was truly incredible. For more than 10 years Bev has played the role of Canada World Youth Grandmother, hosting participants from all over the world. In her home she has pictures of all the kids who have stayed with her. She called it her "United Nations". Bev was a real gem, and although I knew her only briefly, I will never forget her.

Bev you will be dearly missed.

Tribute from Angela Skilbeck

Relation: Social worker with MCFD

Bev was a kind and gentle soul who enriched the lives of the children she shared her home with. She was a special 'grandma' to those who needed her unconditional love.

Thank you Bev - You will be very much missed in the foster parent community. May you rest in peace, knowing you made a difference in the lives of many
