Tribute from Wanda (Plett) Watts

Relation: old friends

Hi Marlene,

Mom and I are so sorry to hear of your loss. What great friends your parents and my parents were, for so very long!

I am staying with my Mom right now at the Kiwanis Assisted Living. She is not well and I am here for a month to be with her. We saw your Mom's obituary in yesterday's paper.

Take care of yourself and your family during these difficult days. Our thoughts are with you.

All the Best,
Wanda

Tribute from Patricia Lawton

Relation: Friend and neighbour

Hi my Dear Esme,

I want you to know that I have many memories of our childhood together and how I remember Beverly as such a gentle girl. I remember how pretty your shared bedroom was with the new bunkbeds and new furniture..... I remember how kind you both were at letting me borrow your many story books of which you had thousands (in my memory) when my family had too few ! You have always been a precious memory for me and I just want you to know that I have sincere sympathy for the loss of your precious sister.

Tribute from Carol (Robertson) Stathopoulos

Relation: Oak St. neighbors.

Hi! Marlene, Esme and families. So sorry to hear the news about Bev. When I read about her passing it brought memories. Especially sitting on the front steps next door on Oak St., listening to her play the piano on a summer evening. Sharing some great laughs with her in later years. Thoughts are with you all. Carol Stathopoulos.
