To the Family

**Tribute from Sheree Adams**

Relation: I was Brian's karate teacher.

I am so sorry to hear of Brian's illness and passing and am sending my sincerest condolences to all at this heartbreaking time. I have always felt fortunate that Brian decided to join the dojo and become a part of our karate family. Once family, always family and I have never forgotten his time there - his dedication to learning the art, his contributions to the dojo, the camaraderie we shared, his humor and kindness. Brian's impact was strong and he will live on in our hearts. Brian was a true gentleman.
