Relation: Friends

Please accept our sincere condolences on the passing of Bridget. She was a wonderful friend, an excellent mentor, and the sparkle of any group endeavour she put her apparently-boundless energy into. She will be sorely missed, even by mere passing acquaintances. We will join our prayers to hers, that you will find comfort in the many happy memories she has left behind. And may she rest in peace with Our Lord.

Dennis, Rachael, Jaqueline and Brent, I send love and condolences, Bridget was an amazing human being, her kindness to others always went beyond the call. Tribute from Nanci (Formosa) Dalzell

Relation: friend

I met Bridget in 1968 when we moved to PR, after my mother died. Bridget was extended family of Cuschieri family - who were my cousins, Aunt Mary and Uncle Gerry. Bridget was one of the kindest people I have ever met in this life - she was true from the core. It is with sadness I hear of her passing. Too early in life. I saw her on ferry last summer - many years gone by - but here smile and face exactly the same. She had a heart of joy. My deep sympathy to her family and to the PR community. So very sorry to hear of Bridget's passing. She was my grade 5 teacher and I knew Mrs. Savage and Kitty very well as did my Mom. She was a wonderful lady and fantastic but tough teacher. Prayers to the family.
