REMEMBERING

Bridget Patricia Bigold

March 28, 1952 - May 6, 2015

It is with heavy hearts that we announce Bridget's passing after a brief but courageous battle with cancer. She passed peacefully at home on a sunny morning with her family by her side. She is survived by her husband Dennis, children Rachelle (Peter), Jacqueline (Spencer) and Brent (Sarah), grandson Jacob and two soon-tobe born granddaughters. She leaves behind her sisters Cecilia and Rose Anne (Bryant), their families and a large extended family that includes friends, her school ‘family,' church ‘family,' and students spanning over 30 years. She was a truly remarkable woman who touched many.

A most gracious thank you to all the amazing people who have provided support over the past two months. For the meals, flowers, prayers and everything offered-we are most grateful. Thank you to Father Tepoorten and Father Dass for their spiritual support, to Dr. Burns for his care and compassion and to Dr. Hoffert, Janet, Sarah and the Oncology Unit staff at Powell River General Hospital who provided support and comfort over her battle. Thank you does not seem enough.

Flowers gratefully declined. Donations may be made to Powell River General Hospital Oncology Unit in Bridget's memory.
