**Tribute from Kelly Collins**

Relation: Daughter

The lamp is burning low upon my table top, the snow is softly falling. The air is still in the silence of my room, and I hear your voice softly calling.

If I could only have you near, to breathe a sigh or two, I would be happy just to hold the hands I love, on this winters night with you.

I read again between the lines upon the page, the words of Love you send me. If I could only have you near, to breathe a sigh or two, I would be so happy to hold the hands I love, and be once again with you. Xxoo
