Carmel Marie Woods May 5 1931-Dec 1-2016

Sadly we announce the loss of our mom Carmel Woods, who passed peacefully at home surrounded by her loving children. Predeceased by our Dad, Gerald Woods, whom we lost in December of 2013. We are grateful they are together again doing a Newfie Jig.

We would like to thank Dr White for his many years of service to our parents and to all the home support staff who cared for our mom these past 3 years. Mom, our love for you and Dad is forever in our hearts and your spirits live on within each of us. May you rest in Peace.

Jim (Maureen), Patti (Frank, predeceased May 6, 2016), Mary (Gary), Terry (Linda), Kelly (Damian), Kerry (Mark), your 10 grandchildren, 8 great grandchildren and all your family in Newfoundland. No service by request.
