Relation: Private home care worker

Carol always had a quick wit and Beautiful smile. She loved fashion and hair. I used to love bringing my little dog Trinity because she brought Carol so much joy! She has the best manners of any one I have known and she was always happy and grateful for everything. In all my years in caregiving Carol will be one of my most favourite Human beings, I was blessed to know her and I will wait for the sign of her rainbow. Rest in Peace my beautiful Carol. I would have loved to have a mother as graceful and kind as you. What a Lovely family you raised as well! Heart hugs to them for taking such good care of her till her very last days. Love you Mrs. Pritchard.
