

REMEMBERING
Charlene Dale Corbin

October 30, 1958 - August 5, 2013

The friends of Charlene are saddened to announce her sudden passing. Charlene was an avid animal lover, a bingo player and a great friend to all who knew and loved her. She was a core member of the Source Club, working hard to sustain the program by many hours. She was fully dedicated to the "Garage's" success, as well as other duties around "The Club."

Charlene's friends will miss her loving and supportive nature and her sense of humour. She will also be sadly missed by Screwball, Miss Moo and friend Bennie.

Rest in peace, Char - from your Powell River Family.
