

REMEMBERING
Christina Lodewyka Maier

April 9, 1924 - December 11, 2015

It is with heavy hearts we say goodbye to our mother, grandmother and great-grandmother. Tina was born in Holland and came to Canada in 1952.

Tina and Whilliam John began their journey of building a family and never looked back. Tina was predeceased by her husband W.J. and son Don in 2002, her sister Gerrit and their mom and dad in Holland. Left with the memories are Yvonne (Ed), John (Christine), Ron, Ad (Ineke) from Holland, many grandchildren, great-grandchildren and many friends along the way. Bye for now.

We will love you and miss you always, Mom, and we are so thankful that you were our mom.

We will have a gathering and celebration in the new year.

We would like to thank Evergreen Extended Care Unit staff, Dr. DuToit and staff and many others in the medical profession who do a great job. God bless you all.
