

## REMEMBERING

# Christine Teresa Johnson

September 8, 1954 - September 14, 2022

With sadness in our hearts, we write of the passing of Christine (Chris), Wife, Mom, Grandma, and Great Grandma.

Chris is survived by her husband of 50 years, Mike, as well as her children, grandchildren, and great grandchildren.

Chris was born in England and came to Canada when she was 2 years old. Chris grew up in White Rock, before moving with her husband to Manitoba, where they lived for almost 30 years. Later, they moved back to Powell River, where Mike grew up. Chris took great pride in her many years of working at the Royal Bank, both in Manitoba, and in Powell River.

No service by request.

She will be dearly missed.
