Tribute from Mark Austin

Relation: I worked with Chris

Chris was a great friend a great teacher and a good man. He helped me out lots in my carpentry career. He helped me find work in Vancouver on Bowen island when I first moved there. I was ever so grateful. I can think of many laughs we had while working together he made coming to work enjoyable. I will never forget him. I wish I could have made the service. It will always bug me. I give my best to the family I will miss him to.
