Relation: Landlord

I was saddened to hear of Mr. Rivest's recent passing. I rented his basement suite from him about 15 years ago. Although I am sure I was not the ideal tenant at the time, he was the kindest, most understanding landlord I have ever had. I moved away from Powell River when I left his apartment and always wondered how he was doing. I moved back to Powell River approximately three years ago and always meant to visit him. I am very sorry I never did. My heart goes out to his family and friends. I am very sorry for your loss.
