---

Monty was born and raised in Bella Coola, and passed away peacefully in Powell River General Hospital after 4 months of health issues.

He was predeceased by his parents Elijah and Isabell, brothers James Mack (Ruth) of Westbank, Doug (MaryAnn) of Bella Coola, and Bud (Alice) of Powell River. He is survived by brothers Dean (Audrey) and Melvin (Elaine) of Bella Coola, sister Betty (Robert) of Nanaimo, and many nephews, nieces, and other relatives.

Monty never married. He attended school in Bella Coola, then studied to be a Heavy Duty Mechanic in Nanaimo. He lived in Prince George and Good Hope Lake, where he worked for the Dept of Highways. He then lived in Cassiar and Watson Lake, where he worked for Grant Stewart Construction. His final move was to Powell River in 1992, where he worked for Lund Marine.

Monty was an avid reader. He was constantly learning.

He did not like funerals, so no service was held. A Celebration of Life will be held at a later date. Contact [dongurr@shaw.ca](mailto:dongurr@shaw.ca) for details.

Monty was a kind, gentle, and sociable person who got along well with everyone. He will be missed by all who knew him.

Thanks to Dr. DuToit and the medical staff who he praised for their loving care.
