Tribute from Stubberfield Funeral Home

Stubberfield Funeral Home Ltd. Staff send our condolences to family and friends.

Tribute from Tracy Taylor

Relation: Rugby mate

I knew Corinne during university and our rugby playing days together. She was a great friend and we cycled for three months together in New Zealand and then traveled around Australia together as well. She was such an active person until struck down by that terrible MD.

Tribute from Ann Sutherland

Relation: Former team mate

I also knew Corinne from rugby days in Edmonton. She was vivacious, fun and an excellent athlete. We were hoping to connect with her again this spring and sadly won't have the opportunity. My condolences to Corinne's family and friends.
