

REMEMBERING
Craig Stephen Danyluk

March 17, 1977 - May 30, 2017

It is with heavy hearts that we make this announcement. Craig passed away suddenly on May 30 near Homfray Creek while barging supplies to a logging camp. He is survived by his brother Ryan and faithful mother Dianne. There are no words that can express our grief, for there is nothing that can bring him back to us. Family and friends will forever miss his laughter, genuine affection and endearing optimism. We are overwhelmed by the sympathies and condolences we have received, and would like to thank everyone for this support, as it was greatly needed.
