

REMEMBERING

Daniel Alexander Jessie Waterman

June 27, 1927 - November 17, 2017

Daniel A. Waterman July 27, 1927 - November 17, 2017 Dan was raised in White Rock. He was a longtime resident of Texada and Powell River, where he logged, handled the freight on Van Anda wharf, worked as a heavy-duty mechanic at the quarry and then at the mill until retirement. Away from work, Dan enjoyed playing golf, lawn bowling and crib. His pleasant memories include a 29-hand plaque. Dan was predeceased by his wife of nearly 60 years, Shirley, and his brother Oliver. He is survived by his siblings Andrew, Lois and Sharron, children Terry (Jane), Wendy (Murphy) and Dawn, grandchildren Chris, Paul, Kathryn and Samantha, and great-grandchildren Rocky and Sebastian. Thank you to the home support care workers who helped Daniel keep his independence and then with a smooth transition to Evergreen Care Unit, where he received great care. A special thanks also goes to Doctor Svetlana Skobkareva. No service by request.
