

REMEMBERING

Daniel Barry Oliver Hollingsworth

September 11, 1941 - December 16, 2017

Daniel Barry Hollingsworth September 11, 1941 - December 16, 2017 After the last few years of declining health, Dan's willpower and humour were not enough. His relief finally came December 16, 2017. Rest in peace, our love. You are missed, but forever in our hearts. Dan was predeceased by his parents Harry and Anne Hollingsworth, brother Fred (Diane) Hollingsworth, and brother-in-laws Richard Dulmage and William Eagle. Left to mourn are brother Harry (Betty) Hollingsworth and sisters Connie Dulmage and Janet Eagle. Always loving memories from his wife, partner and friend of 57 years Joan Hollingsworth, three wonderful children, and their families who have always been here for us, Linda (Allan) Lentz, Ron (Marnie) Hollingsworth, Dan J. Hollingsworth, grandchildren Jodi (Adam) Gruber, Ryan Lentz, Austyn Hollingsworth (Ryan Pielle), Bayley and Cayce Hollingsworth, Uki Gochnauer, and great-grandson Theodore Gruber. Also, many nephews, nieces, extended family and friends, and his three fur sons Rocky, Woody and Chips who kept him company and filled his days with more love. Thank you to the medical staff at Powell River Hospital. We have never seen a more compassionate group of individuals. You have certainly chosen the right calling. You treated us all as family with respect and compassion. You made our unknown journey easier. A Celebration of Life will take place for Dan at Carlson Community Club, downstairs, Saturday, January 27, 2018, at noon. Please come out and share some stories.
