Tribute from Patricia Parsley

Relation: Friend and co-worker

You will never know how loved you were for your integrity, honesty and compassion. I will miss your friendship, your sense of humour and your positive view of the world. Love you always my friend.

Tribute from Karen Sawatsky

Relation: We were school age friends.

I obviously don't go to Facebook or the Peak near as often as I should. I recently went to Deb's Facebook page and when I did, tears came to my eyes and a sadness to my heart to read of her passing. I was one of her Bridesmaids forty-eight years ago and the many memories of years gone by, if we are fortunate enough to remember; always bring a smile.

My deepest sympathies to "ALL" who loved her, and may YOUR memories bring you comfort.
