

REMEMBERING
Denny Emilio Marco Mior

August 5, 1958 - May 24, 2023

It is with regret that I announce the passing of Denny Mior, beloved son of Anna and Umberto Mior.

Denny passed quietly after a stoic battle with cancer. Born and raised in Powell River, Denny followed his father into the mill and made a career there before enjoying an early retirement. An avid tennis player and super fan of other sports, Denny enjoyed tracking team statistics and demonstrating his ability to pick winners in friendly competitions.
