Dear Arian Rita and Family, sorry to hear of your Dad's passing, I saw him awhile back now and we had a little chat, I always called him Derry which is what your Mum called him but not too many other people. I know the last time I chatted with you Arian he was still doing ok. He lived a good long life and we are glad you were able to have been able to have been living close here to him and enjoy his company and I'm sure given you many happy memories to remember him by. Thinking of you with love, hugs Val and Owen xxoo
