REMEMBERING

Donald Arthur Dunn

July 10, 1944 - March 1, 2014

It is with sadness we announce the peaceful passing of Don at home surrounded by his family. He will be remembered by his loving wife Bev, his two sons Thomas (Jennifer) and Richard (Laurie), grandchildren Lance, Lindsay and Sloane and his two sisters Lois Cummings and Joan (Bob) Astrope, as well as a large extended family.

Community and family were very important to him and he proudly served on the Malaspina Volunteer Fire Department for 29 years, the last 16 years as their Fire Chief.

Thank you to Dr. Du Toit, Powell River General Hospital oncology unit, home care nurses and hospital staff for their excellent care. A special thanks to all our friends and family; the comfort received was endless.
