
REMEMBERING

Donald Ian (Black Mac) McLaren

August 30, 1947 - January 1, 2021

It is with heavy hearts we announce the passing of Don. Born and raised in Powell River, he was predeceased by his parents Jock and Jessie, and wife Sharon. Left to survive him are his sons Dean (Sandy) and Rick (Shannon), grandchildren Austin, Adam, Jonah, Jessa and Aidan, and great-granddaughter Parker. We would like to thank all the doctors and nurses for their excellent care in Don’s final days. A celebration of life will be held at a later date.
