Dear Marianne, Jordie and family,

We were so saddened to hear of Don's passing and you have been in our thoughts since the news arrived. Over the years we spent in Powell River we have fond memories of Don always at the rink, supporting whoever was playing. He was a champion for one and all, often a rare quality and appreciated by everyone. We saw his tremendous strength, compassion and ability to go to any length to support Marianne through her illness. We see these qualities in his three boys and we are sure they will carry on his legacy.

We will be with you all in spirit on Saturday. May you find strength in his memories and know that in time the pain will ease and you will find peace.

With Love,  
Sandra and Jim

Hi Marianne, Darling...

I am thinking so much about you and your family this early morning knowing that it is Don's memorial today. My heart is with you especially, but also with all of your fabulous family.

There is little that can be said to make you feel much better at this sad time. But, I am so glad that you have such the wonderful family that you do ... with them around and with you yesterday, today and tomorrows too. This is the good stuff that you and Don put together.

Love Marcie

**Tribute from Gord Adams**

Relation: Friend

I just learned of Don's passing while reading the Peak here in Ontario. I remember coaching Don's son Randall in Minor hockey in PR. He was a great person and very dedicated to his family. And Yes, he did have that quick humour that I do remember. My prayers and thoughts go out to Marianne and the rest of the Family... Gord Adams, Kenora, ON
