

REMEMBERING
Donald Patrick Smisko

July 27, 1946 - February 26, 2013

It is with heavy hearts that we announce the passing of Don at his home in Powell River, surrounded by family. Don was born to the late Pearl and Alex Smisko in Wells, BC, the youngest of three children.

He is survived by his loving wife of 37 years Marianne, sons John (Angela), Randall (Hayley), Jordan (Danielle), his beloved granddaughter Teagan, his sister Gloria (Bill) McKinnon, his brother Barry (Susan), and a large extended family.

Don was known by many as a school district employee for 26 years. He was an avid Powell River Kings hockey fan and volunteer, and loved to watch minor hockey. He had many interests, but during retirement he especially enjoyed riding his motorcycle in the sunshine, trips to the public library, coffee with friends, and painting with acrylics.

He was a quiet person who had a beautiful heart, a quick, sarcastic sense of humour, and a strong dedication to his family and friends. His granddaughter, Teagan, was the treasure of his life.
