No one who ever knew Don will ever forget what a delight he was whether it was telling his jokes, tales or just holding a normal conversation. I'll miss his humorous emails and the few visits that he made to Calgary. Safe journey Don and one day in the future we will all be together again.

Tribute from John Weston

Relation: Friend

I mourn the passing of Don Mostat, the late husband of Joyce Mostat, of Powell River.

From the very beginning of my service in our riding, I learned that one person could break the ice with his humour, rally people of all backgrounds to a cause, put his back behind an important effort, and

cast the balm of intelligent counsel across a stormy sea. Don was a man of profound faith in God. His eternal perspective coloured his thoughts and deeds.

For those who knew Don, I know you'll share my grief and that of his family.

For those who did not know him, it's a reminder of the importance of our rallying around one another and recall the values that drive us to serve our families and communities.
