Powell River has lost a beautiful woman. A kind, gentle, caring soul.

Tribute from Jean Mackenzie

Relation: Friend

Dear Bob and all your family, I was so sorry to hear of Dorell's passing. She was a force of nature…and so very kind to me throughout the many years of co tact through the Small Planet, things "childcare", the genealogy club, and as a so welcome friendly face in the community. As north and south qathetians, we did not see a lot of each other in recent years but I always enjoyed our many on the fly conversations when we met around town.I know you will feel her loss dearly
