To Arlene and family, my sincere condolences on your loss of Ernie. He really put up a great battle after the horse incident. Wonderful sense of humour. I can still hear his great laughter. I will pass along this sad news to the IPM retirees lunch group.

May his memory be strong in your hearts.

Tribute from Brian jackson

Relation: Former work mate.

My sincere condolences to Arlene and family. Though never met Ernie's children but had heard some of Ernie's stories about them. I was work mate of Ernie's at IPM. He a production man, me the quality control man. Many times we were at loggerheads over quality issues. Ernie, in my book ,was an honest straight shooter of a man. Great sense of humour and a friend. I will miss him but know one day we will be in the presence of each once again. At this time my thoughts and prayers are with Arlene and the family. May God bless each one of you.
