

REMEMBERING
Frances Betty Hollingsworth

May 5, 1928 - March 12, 2026

Predeceased by her husband Harry, son Graham and son-in-law Paul. Betty will always remain in the hearts of her son Dave (Heather), daughter Anne, daughter-in-law Trish (and family), grandchildren Amanda (Justin), Mike (Emma), Andrea, Ross (Joanna), Kerri (Marcus) and Sandra, and great-grandchildren Ryder, Oliver, Betty, Ava, Mak, Maeve, Adeline, Cam and Lola.

Betty was born and raised in Powell River, a community she loved. She and Harry enjoyed spending many happy adventures with family and friends on their beloved boat "Tiara". Many will remember her as Mrs. Hollingsworth, a kind and compassionate primary teacher. She enjoyed playing piano, singing songs and sharing her joy of teaching with her students.

After retirement, she and Harry were happy to spend longer winter escapes to their "second home" enjoying quality time with family and friends in Australia. They returned in time to welcome in spring at their beautiful home and yard in Westview.

The family would like to send a heartfelt thank-you to Dr. White for his many years of care and support. We also want to thank the staff at Willingdon Creek Village for their years of wonderful friendship, support and excellent care. Mum was so fortunate to have had all of you looking out for her these past seven years. A special thank-you to the staff in House Five. You're awesome beyond words.

"Mum, we will forever cherish the joy, laughter and endless adventures we've shared with you. You've left us with so many beautiful memories. We are so lucky to have had such a perfect example of unconditional love in our lives."

No flowers or service by request.
