Tribute from Patricia Ann Warner

Relation: My Husband

I need so much the quiet of your love
After the day's loud strife ;
I need your calm all other things above
After the stress of life.
I crave the haven that in your heart lies,
After all toil is done ;
I need the starshine of your heavenly eyes,
After the day's great sun.

cannot be seen or even touched.
They must be felt with the heart.

And when we're gone long gone
The only thing that will have mattered,
Is the love that we shared,
And the way that we cared,

When we're gone, long gone.

-Kieran Kane and James Paul, O'Hara,
