A more compassionate and affectionate man will not be found on this planet. A truer and kinder friend and brother will also never be found. We have lost more than my knowledge of words can express. I Love You Bro. Rest In Peace.

**Tribute from Betty Russell**

Relation: friend

We were married by a drunken preacher, pushed along by a gun tot'n angry father in the midst of a laughing crowd at an I.O.F campfire skit!! You were my "wife" and I was your "Hubby" Like a good ole' married couple we have survived 37yrs together. You were always there to lend a helping hand whenever we asked and we reciprocated in kind. I'm sad to see you go but .. you are in a better place now. The fight is over. Rest in Peace "wifey" I will miss you..

**Tribute from Elaine (Norris) Miller**

Relation: cousin

So sorry to hear of Ted's passing, Thanks for having it in the Saskatoon paper as that is how I heard. I had reconnected with him this spring via e-mail and it was good to hear from him again. As a child we spent lots of time at Uncle George and Aunt Ina's, so have many fond memories. My kids still remember him coming on his big motorcycle with his little dog for Mom and Dad's anniversary(John and Winnie Norris). I let a number of cousins know when I saw the Obit. My thoughts are with you.

**Tribute from Dave DeLong**

Relation: Long Time Friend

My friend Ted and I go back so far I can't even remember when, or how we met; but luckily we did meet and have been friends ever since. If there was a need, Ted was always there. We went through the era of the computer BBS together as well as years of touring via motorcycle. I took refuge at Ted's place when ice storm '98 froze me out of N.B. Ted was always ready to give and yet ask nothing in return; I think that's what makes a "best friend", and Ted was definitely one of the best. Rest in Peace my friend.
