I am very sorry to hear the passing of George. I worked with him for many years. He also looked after my Dad for a number of years when my brother needed to get away. He had a great heart though often hid it. I will miss him.

Tribute from DAVE INDER BASI

Relation: Baseball Coach

George was my Bronco level baseball coach in 1982 at D.A. Evan's Park located in Cranberry. I was 11 years young at the time. George knew how to get the best performance from his team each and every time we took to the field.

His son Jeff was on our team. I found George to be a coach with lots of patience. George will be missed by all those who were involved in Powell River Minor Baseball during the early 1980's.

Tribute from Johann

I'll always love George because of this habit he had of going swimming no matter what the season was. I played soccer with his son which is how I got to know him. I had heard about this habit of his and finally one day in Powell River I saw this soaking wet mad man burst through the door after his daily swim. The giant of a man turned out to be a kind man and he was happy his son's friends were

all sitting inside by his fire.
