REMEMBERING

Georges Etienne Ouellet

July 22, 1942 - September 6, 2018

George Etienne Ouellet Born: July 22, 1942, in Saint-Mathieu-de-Rioux, Rimouski, Quebec. Died September 5, 2018 It is with great sadness we announce the sudden passing of George. He was predeceased by his parents Robert and Evelyn, brothers Yvon and Thomas and sisters Gisele and Gemma. He is survived by five brothers Bruno, Emilien, Charles Eugene, Mathieu and Bertrand, four sisters Mariette, Lucille, Charlotte and Claire, and many nieces and nephews. George was known in Powell River for his excellent woodworking skills in the Padgett Valley with his business: Compu-Wood. He created all kinds of wood signs, logos and crests and was meticulously detailed in wood floor designs. George had a passion for wood, working with many varieties, domestic and imported. He lived a full and interesting life, having the creative mind of an inventor. In 1985, he designed an indoor boardsailing simulator, generating enthusiasm in the windsurfing world. All of George's creations, including machinery to perform detailed work, were successful with woodworking projects. He leaves behind a profound impact upon his family and friends and he will be remembered for the beautiful art he created with wood that satisfied his customers. Even though George cherished his independence, he revealed a genuine good-natured character that will continue to live in the hearts of thoses who knew him well. In lieu of flowers, donations can be made to the Powell River Hospital Foundation. A celebration of life will take place at a later date.
