Both Gerri and Charlie received the Queens Golden Jubilee Medal marking the 50th Anniversary of Queen Elizabeth II ascension to the Throne and appreciation from the mayor and council at a formal ceremony at Edgehill Elementary School recognizing outstanding and exemplary contributions to their community. A personal privilege to have known these remarkable citizens.

Relation: knew her from when our familys were friends in the old days

I'd been wondering about Gerri lately , if she was still around . Well , it looks like she had a good kick at the can ! Hard to keep a tough person like that down . I've got her "Sawdust" book , read it twice , might do it again in memory . My condolences .

### **Tribute from Elaine Del Giudice**

Our deepest condolences go out to all the Parsons families. Lots of great memories of Gerri. She was kind, lots of fun, great cook and a little ball of fire. Very fond memories of Gerri during Trailrider days many years ago. Gerri was a legend! You were all very lucky to have her. With our sympathy. Elaine DelGiudice(Vanichuk) and family

### **Tribute from John and Doreen Berg**

Relation: Friend

Our condolences to the Parson family. It was our privilege to know both Gerri and Charlie. A special memory is Charlie and Gerri helping with a school Loggers' Day. The intermediate elementary students loved it when the couple fired up their noisy portable sawmill. All day long groups of kids had an opportunity to cut small logs into lumber. The Parsons were generous with their time and help for others.

### **Tribute from Susan McCartney**

**Tribute from Dennis and Gail Glasscock**

Relation: Friends of Benita Worley (daughter of the deceased).

We are friends of Benita and Dan Worley and we only learned of Gerri's passing yesterday. We enjoyed meeting Gerri a number of years ago. She even gave us a copy of her book. It was quickly evident that Gerri was quite a character. We have also heard many interesting and varied stories about Gerri and Charlie over the years. I just read Martina's Facebook posting on You Know You Grew up in Powell River if.... The comments show that they were a loved and cherished couple. We send our condolences from West Kelowna. Dennis and Gail Glasscock
