Thanks Grant for being one of my persons to base my life on. Every decison I made I would ask my self what would my older brothers do. As a child growing up I Counted the days you and verna would make it home to visit I cherised every day of your guys visits. After I left home on my own I would plan my holidays to be in Big River when you were there. I am unable to be at your special gathering so please accept my thoughts for you and verna and darlene & family as well carol & family
