Hello Mona & family. So sorry to hear of Hank's passing. My fondest memory of both of you is babysitting your collie dog many, many years ago. May Hank rest in peace and you find some comfort in the good memories that you shared.

Tribute from Bob McCallum

Relation: Family Friend

Dear Mona and Shane,

It was with great sadness I learned about Hank's passing. Without a doubt, my most memorable hockey experience was the year I spent when Hank coached the Juvenile hockey team. I am sure that is the case for many of my fellow team mates. Hank treated us like young adults and gained our outmost respect, both on and off the ice. I think my favorite memory was during a game in Port Alberni. After a dismal effort, we were down after two periods. Hank came into the dressing room (I think wearing his white leather jacket) and with his cup of coffee. He did not say a word but circled the room several times and then left. We certainly understood his unspoken message. We went out and won the game in the third period. Bev and I got to know Hank and Mona well during his playing days with Dad. Hank will always have a special place in my heart. My thoughts are with you.

Sincerely,
The McCallum Family
Andy, Ang, Bob, and Bev

Mona and Shane. Sorry to hear about the passing of Hank. He was a really great person. Always made me feel welcome when I was at your house. Made me laugh a lot. His analogy of mr mikes was spit on. Gassy jacks. Again I'm sorry for your loss.
