I was sad to hear of Harold's passing. I worked at the Complex swimming pool for many years and Harold was a fixture each morning for his lap swimming. He will be missed by the complex staff.

Tribute from Iris Kramer-Clarke

Relation: Colleague

Harold was an outstanding educational Administrator. He was my mentor. I will never forget his sense of humour and quick wit. I enjoyed working with him and the kind hospitality he and Alice showed to our team on many occasions. His direction as an administrator and vision for students with special needs and their parents was exceptional. He will be missed by everyone whose life he touched.
