

**REMEMBERING**  
**Heather Marguerite De Groot**

November 22, 1945 - September 25, 2016

Heather passed away suddenly with her family beside her. She leaves to mourn her husband Bill, sons James (Crystal), Joe (Melinda) and Dan (Petra), grandchildren Ashlyn, Britney (Gary), Catherine, Darien and Samantha, great-grandchildren Brooklyn and Urijah and brother Ron (Margo).

Heather and Bill were married in Powell River and spent their lives here. She loved all the birds she looked after; there are many varieties that visit her feeding and water site. Squirrels were also welcome and there was a constant watch for eagles; we had two eaglets this year, and much activity on or under the water. Heather always struggled in life, but now will rest in peace.

Thank you to Dr. DuToit and also the professional and caring staff in Powell River General Hospital, you always treated Heather with dignity and respect.

A service will be held at 11 am on Monday, October 3, at Church of the Assumption with a reception to follow.
