Tribute from Stacey Fletcher

Relation: student

Holly was my counselor in high school. She had a huge impact on my life. When all you needed was someone to listen to you; she sat there and just listened. When you needed someone to make you smile - that's exactly what she did. When you needed someone to help you - she acted. Such a unique and caring soul. I hope she (and her family) know how much her students cared for her.

Tribute from Deb Reim Gauti

Relation: thru Robin's friendship

My sincerest heartfelt condolences to Wayne & Holly's family. It was always such a pleasure for Robin and I to meet up with you both. Rest in peace !
