Tribute from Lorraine Parkinson

Relation: Through Olive Devaud Residence

We were saddened to read about Ira's death in The Peak. During my Dad's (Andrew Marshall) stay in Olive Devaud, we got to know Ira and found him to be a lovely person. I'd often sit and visit with him for a time and hold his hand. He always had a smile for me. Sometimes he would be a bit confused but always appreciated a visit. It was always good to see him surrounded by his family.

I am sorry for your loss.
