

REMEMBERING

Ivy Ella May Wheaton

January 13, 1918 - March 22, 2015

Robert/Nina Falls (Kenton, Stephanie, Nathan, Yuri Yamamoto); Cal Wheaton (Wayne, Calvin, Cara, Meaghan, Braedan); Pat Letkemann (Jason, Brian); Les/Lynn Wheaton (Darren, Chrissy); Lillian Campbell (Lorinda, Angel) and their spouses, children, and all her grandchildren are sad to say their final goodbye to Mom/Grandma, but happy to know Mom has made it home.

Family, friends and her beloved caretakers at Olive Devaud Residence will miss her many times in the day. Mom had a great zest for life and people, but her greatest love was for God. Physical impairments—blindness, dizziness, hearing loss and wheelchair bound—didn't stand a chance in curtailing her wholehearted involvement with life.

Deep gratitude from Mom and the family to staff at Olive Devaud Residence for living the extra mile. Your love and commitment has lifted many a weary heart.

Mom's greatest wish would be for all to have the opportunity to know and love God as she did. She has kept you in her prayers. You're home at last, Mom! We love you.
