Tribute from Dave Markland

Relation: I knew Jack from a lot of his sports involvement and of course working together in the Mill for many years

So sorry to hear of Jack's passing, he was a fabulous person and I'm sure loved by any that met him, I always looked forward to seeing and chatting with over the years, was a great fellow to work with or around, always a laugh when Jack was there!

I look forward to attending the service, but I think it will be too small a venue!

My sincere condolences to the whole family!

Dave Markland, Shift Electrician for many years
