

REMEMBERING
James Arthur Statham

August 24, 1929 - November 8, 2012

James Arthur "Jimmy" Statham, August 24, 1939 - November 8, 2012

It is with great sorrow that we announce the passing of our beloved Jimmy (Papa), predeceased by his parents Alfred and Zubah, in-laws Joe and Olga, sister-in-law Susan and brother-in-law Godfrey.

After a 17-year battle with cancer, his legacy of love includes his wife of 51 years Antida Statham (née Tanti), sons Fred (Caron) and Ken (Debbie), grandchildren Adam (Chris), Aaron, Ashlin (Adam), Joshua (Elise), Mallory (Matthew), great-grandchildren Kaleb, Elijah and Jacob, siblings Loretta (Wilmer) Biffard, Margaret (Rod) Keech, Alan (Pauline) Statham and Cheryl (Bud) Smith, generations of cousins, nieces and nephews and countless friends.

Jimmy "Hoseclamp" was a mechanic in Stillwater Division and at the Powell River mill, spending his retirement "on call" to all who knew him, never asking for a thing in return. He was an avid fisherman and hockey fan who left us with many warm and happy memories.
