Tribute from Nancy Elna Behrens Claussen

Relation: My brother

Jan, I loved you. You meant so much to me. All the others left home and left us behind. Then I went and left you behind. I had to leave and was so torn by it because the A.P.s were getting on in life but you told me to do what was necessary when I knew that I needed to go to school. You will always be in my memories and my heart.
