Tribute from Ken Thompson

Relation: Acquaintance

Jenny was a very kind, gentle & sweet soul. I did not know her well, yet well enough to know she was very empathetic. Each interaction was a pleasant one. She exuded kindness & compassion . Never a negative word about anyone. An excellent listener, calm & non judgemental. Many will miss her. I know I will certainly miss her welcoming presence. Tucked among the thorny vines, she was a true rose.
