Relation: customer/friend

Our hearts are broken over the loss of this beautiful man. Always had a smile and a story when he came in for coffee or lunch. He started as a customer but soon became everyones friend. We'll miss you Joachim.....peace.

Tribute from Mark Decker

Relation: shipmate

Only heard of his passing today. Joe, we have sailed many, many miles together on many different ships and I enjoyed every minute of it. You were the greatest, most irrepressible character I ever met and a great comrade. Your humour and spirit touched many lives. We will never forget you.

Tribute from Larry Leroux

Relation: Friend

My friend on board you are the captain. So climb aboard in search for tomorrow on every shore cause you are free, free to face whats ahead of you.
